

All Purpose Vehicle Model HTSBAPV

Rugged.... Durable.... Harlan

The Lithium market is growing, and Harlan is growing with it as proven with the NEWLY DESIGNED Harlan Model HTSBELAPV Lithium-ion powered baggage/cargo tractor. Harlan has listened to our customers over the years, and we designed this model with their input in mind. Some options will include complete cab assembly, heat/defrost, mirrors, beacons, telemetry systems, tilt steering, and a variety of hitches and suspension-style seats.

This comprehensive approach ensures that the Model HTSBELAPV meets both customer needs and industry requirements, reflecting Harlan's commitment to delivering adaptable solutions in response to industry trends.
